KINKY venus

Bondage, exciting costumes and hot adventures are becoming increasingly popular. After the great success in 2017, we are looking forward to the special Kinky section on the 22nd VENUS!

At the upcoming VENUS selected shows will inspire the visitors and give the exhibitors the space to reach the consumers in a unique way. Whether burlesque, fetish, BDSM or unusual fashion creations: The Kinky VENUS offers something for everyone. On two floors a unique atmosphere lets all guests and trade visitors immerse themselves in another world. Do you have questions about the stand space or do you want to show your products and services on stage? Then just contact us.

TARGETED COMMUNICATION AND MARKETING

In the next issue, Kinky VENUS, own an industry-recognized testimonial will also be the face of the Kinky VENUS. That way we can together achieve stronger advertising effects in the scene and beyond. Own posters, flyers as well as preliminary reports on highlights and shows of the exhibitors provide even more attention.
